The venue is so lovely, a relaxed rustic feel with plenty of outside space. A brilliant venue with an even better host.

RUSTIC CHARM, WAITING FOR YOU

---

A traditional 600yr old Grade II listed barn set in the heart of the countryside in Mid-Sussex. Situated on a working farm, Chapel Barn oozes character and really gives your guests the wow factor when they arrive.

From the barn's original high vaulted ceiling, with beautiful oak beams to the charming hand-built wooden bar lined with oak barrels, the atmosphere is relaxed during the day and by night turns into the perfect party venue, together with a raised stage area perfect for your chosen Band or DJ.

As a charming blank canvas, you can really make your special day yours.

With its original features and permanent festoon lighting, Chapel Barn already looks spectacular, so it's completely up to you whether you just add a small amount of extra decoration or go all out and use one of our incredible Décor suppliers to transform the barn into an even more glorious space.

Chapel Barn is surrounded by picturesque scenery, and you have access to the beautifully maintained gardens. For your wedding photos you are able to explore the nearby fields and woods to capture the most exquisite photos to cherish the memories from your day. Backdrops can include the South Downs, nearby mill ponds and an exceptionally stunning Old Granary Barn.

PLANNING YOUR BIG DAY, YOUR WAY

---

We believe that one of the most important facts about organising a wedding is ensuring it is as stress free and fun as possible. We thrive on Chapel Barn being a relaxed venue and we are always on hand to offer any advice you need.

We think it's important and so fulfilling that we get to know our couples to make sure everything is perfect on your day. We will be there for you from the day you book to your special day to help with any questions, queries or advice you may need. And should you wish to make return visits whilst planning, with suppliers or just to refresh yourselves with the space, we are always willing to find time for you.

# Ceremony & Reception

THE MOST IMPORTANT PARTS OF THE DAY

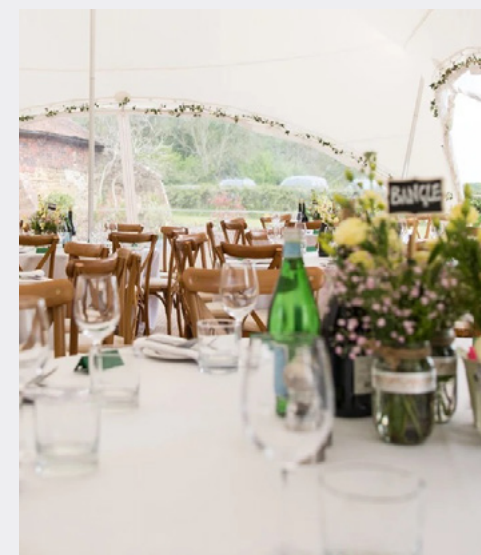

---

Chapel Barn is licensed for ceremonies and civil partnerships. You can organise a registrar through West Sussex County Council, where we are an approved venue.

You may choose to have a small registry office wedding and come to Chapel Barn with a celebrant for a more relaxed celebration with more family and friends.

Or you may choose to get married in one of the delightful local churches and head back to Chapel Barn for your celebrations.

We have a bar that is fully stocked and run-in house, you can either choose to pre purchase a set amount for your guests or have a cash bar. We are happy to make sure we have any extras you require, such as a local ale in stock for you. We also help to turn the room around from ceremony to dining, and dining to dancing!!

THE RIGHT MENU FOR YOUR PERFECT DAY

---

We know that the wedding breakfast is a key focal point of your special day and it's important you get exactly what you want. We are here to guide you through this process and help you decide on the perfect feast.

We have a variety of popular menus for you to choose from, for your canapés, wedding breakfast and evening meal – such as Paella, Tapas and Barbecue. However, as experienced caterers we would be delighted to work on more bespoke options if you have something more specific in mind.

Once you have decided on a menu we offer tasting days, so you know that everything is exactly as you imagined.

Chapel Barn was a great find and a magical venue, everything we wanted for our wedding without breaking the bank!

The barn within a countryside setting provided the wow-factor, the lawn to one side was perfect for the stretch tent. Our guests all said it was the best wedding they had ever experienced! We really could not have asked for everything more.
